

UTSA ID: _____

Guest Research Lecture

Presenter: _____

Topic: _____

1. What is one topic or concept you found interesting?
2. How might the research presented today connect with your field/topic of interest?
[Hint: if you do not think that it does, as our guest - you might be surprised!]
3. Were there any topics or discussions you found confusing/inaccessible?
4. Would you like to be contacted about research opportunities in this lab?
