Survey 3: Evaluating & Extending Research

Exploring research outside of your field.

Complete this survey only on the day you are not presenting.

Poster Number: _____

- 1. Briefly summarize the research question or problem addressed by the poster.** From your understanding, what are some of the key challenges or limitations identified?

- 2. Imagine you are continuing this research project.** What are 1-2 specific questions you would investigate next, or what potential avenues would you explore to build upon what is presented?
